Winter Meeting

Portland, Oregon

Governor Hotel, Library Room
614 SW 11th Avenue, Portland, OR 97205
Tel: (503) 224-3400

Friday-Saturday, January 13-14, 2012

James Graebner	Chair
Tom Hickey	Vice Chair
Tim Borchers	Secretary

FRIDAY AGENDA (8AM – 5PM)

- | | |
|---|---|
| 1. Welcome & Introductions | Jim Graebner |
| 2. Project updates from around the country | All |
| 3. Two “off wire” system case studies St. Louis and Seattle.
Both were originally planned to use off-wire capable vehicles. St. Louis has now opted not to not use this design and the Seattle project decided to go for it. The presentations will discuss the how and why of the decision-making process. | Tim Borchers plus a representative from the Seattle project (invited) |
| 4. FTA process changes relating to streetcar projects | Tom Hickey plus a FTA representative (invited) |
| 5. Power Supply Chapter in the APTA Streetcar Guideline | John Smatlak |

LUNCH (IN ROOM)

- | | |
|--|----------------|
| 6. APTA Updates | Charles Joseph |
| <ul style="list-style-type: none"> • 2012 APTA Conference Schedules • 2012 APTA Rail Conference in Dallas, TX • 2012 APTA & TRB Light Rail & Streetcar Conference, Salt Lake City, UT | |
| 7. "Headache relief" session
Chance to "ask the experts" about particular technical challenges in your project | Panel |
| 8. Streetcar Guideline Working Group Meeting | All |
